

**Remarks**

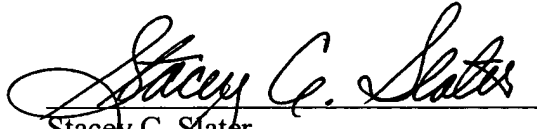

Applicants hereby respond to the Notice of January 26, 2004. Applicants have corrected the parenthetical claim status identifier by changing "previously amended" as recited in claims 82, 96, 103, 112 and 118 to --previously presented--.

Moreover, the Notice states that "the entire 'amendments to the claims' section of applicant's amendment document must be re-submitted. 37 C.F.R. § 1.121(h)." Applicants have complied with this requirement by resubmitting all claims.

The present application is in condition for substantive examination and such action is requested.

Respectfully submitted,
